

ENVIRONMENTAL POLICY

We are committed to continuously improving the Environmental Performance of Palm Oil Farm through:

1. Comply with existing and future environmental legislation and other relevant standards.
2. Conservation of natural resources and pollution prevention.
3. Reducing Air, Water and Soil pollution.
4. Consider proposals from interested parties for environmental improvement.
5. Continue to enhance the values implemented with a holistic approach.

This policy is communicated to all Workers, Contractors and to the public.
